If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial will receive a full refund.

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of view of search area(s). Staging area will include crating, warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

The **Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

Warm-up area: The club shall designate a warm-up area. One labeled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers.

SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class.

Search Area Conditions: Searches may be indoors, on matted, carpeted, concreted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

Search Area Sizes will be as specified in AKC Scent Work regulations.

ADDITIONAL SITE INFORMATION

Trial Limit: Trial will be limited to 250 entries per day, 125 per judge.

Trial Site: It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future. This is a private property.

Potty Area: Designated potty areas will be pointed out during the Handler Briefing. The restroom facilities for exhibitors are located in the barn.

Exhibitors are responsible for using appropriate potty area and cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

Possession of Odors and Training: Chapter 5. Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area: Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the area by the judge. Spectators are forbidden to discuss details of the search with handlers who have not run.

Crating space: Indoors in air conditioning. Empty crates may be left overnight, however ABMC and property owner will not be responsible for any lost or damaged items left at the show site.

Parking: Ample parking is available at no charge to exhibitors, however no RV's are allowed in the regular parking lot. If you plan to bring your RV, please plan to stay overnight in the RV Parking Lot. Golf carts are available to rent onsite. If you are found in violation you will be asked to leave with no refund for missed runs. No overnight parking.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR AND LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The American Belgian Malinois Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The American Belgian Malinois Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the American Belgian Malinois Club or any official thereof.

Collars, Leashes and Harnesses: **While not actively searching, dogs MUST be on a fixed length 6' or shorter leash, INCLUDING entering and exiting search areas in order to avoid**

dog to dog contact. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are not eligible for a refund.

Bitches in season will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial. Refund only applies to the female in season, not to other dogs, not in season owned by the same exhibitor.

Refunds will be mailed by the club after the trial concludes.

Entries not admitted to the trial and withdrawn entries will be shredded, not be returned to the exhibitor.

Requests for returned checks and money orders must be made in writing to the Trial Secretary by email before the closing date and a self addressed and stamped envelope must be provided by the exhibitor.

RINGSIDE

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

EXHIBITOR CHECK-IN: Like agility, we will not have physical arm bands for pickup, you will check in at the main steward board. Check In will begin at Barn Q at 7:00. Armband numbers will remain the same for all four trials. You must check in before the close of your class.

Please observe social distancing while spectating.

*Exhibitors MUST check-in EACH day they are entered.
Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.*

"Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Additionally, clubs should include any specific local or state health requirements; for example, proof of rabies vaccination.

DIRECTIONS TO SITE

Barn Q - World Equestrian Center
1390 NW 80th Avenue, Ocala, FL, 34482
Tel 352.414.7900
From I-75, take exit 352 and head west on Highway 40 for approximately 5 miles, turn right onto 80th Avenue and the destination will be on your left.

Come one, come all!

We have volunteer opportunities available for the following positions for May 4, 5 and 6. We will need several people for each job so no one is required to work all day and so each person entered has the chance to run their dog. It usually works best for Excellent and Master people to help during the Novice and Advanced classes and the Novice and Advanced people can help during the Excellent and Master classes.

Volunteering is an exceptional way to learn how trials are run and in the case of Table Steward and Timer, a way to be able to watch many teams in action and learn from their successes and mistakes. I personally feel I have learned far more from volunteering than if I had just run my own dogs. For those in lower levels, it gives you a preview of what is to come. For those in higher levels, you still pick up valuable lessons at every level by watching other teams run. And we will have fun raffle prizes for our workers!

An important note: If you do not have previous experience at these jobs, we will teach you! Just send me a note stating you would like additional instruction and we will be sure to support you.

We cannot have trials without people that volunteer to make sure everything runs smoothly and everyone has a good time. If there is one thing I absolutely love about the Scent Work Community, it is we have a great group of people who pull together and make trials run efficiently and we cheer each other on!

May 4th

Set-up: Help with set-up on the 4th. This will entail setting up a table and chairs for each Table Steward along with the table steward box containing all their equipment. Putting up tarps as needed to shield certain areas from view. Putting up stall signs for crating. Setting up Buried containers with sand & water. (No one person will be expected to do all of this but these are examples of what will be needed.)

May 5 & 6

Main Gate Steward: This person is the primary check-point for all exhibitors to check in. You will check them in and direct them to the Element Gate Steward to queue up for their turn when it is time. You will have the run order lists for both Elements running that day. Radio contact with the Element Gate Stewards will be used so you know when they need more people. This person should be comfortable being outspoken (Bossy even) as you will have all the exhibitors looking to you for information and run times.

Element Gate Steward: This person will be responsible for managing the next three exhibitors in the run order. The Main Gate Steward will send you people as needed to keep your three chairs full. You should also keep track of who has already run (cross them off the list). (If someone comes directly to you to check in please send them back to the Main Gate person)

Table Steward (one person needed for each level and element): This person has a front row seat to the action. Your job is to keep the judges paperwork in order and make sure the next dog to the start line matches up with the paperwork the judge is given. It is good practice to review the paperwork afterwards to be sure the judge has circled "Qualified" or "Not Qualified", and if they qualified there should be a Time entered. Putting the sheets back in the correct Trial envelope in run order with any move-ups on top is appreciated by the Trial Secretary.

Timer (one person needed for each level and element): This person also has a front row seat

to the action. Your job is to use a stopwatch (sometimes a phone) to time the exhibitor. In all classes Time starts when the dog or handler crosses the start line. In Novice, Time stops when the exhibitor calls Alert! In Advanced, Time stops when the exhibitor calls Finish! In Excellent & Master Container, Buried and Exterior the "Finish" call will also stop the clock. Interior is a bit different. Interior Excellent and Master includes multiple areas to search. Each area will have it's own time limit. The "Finish" call will stop the clock for each area and the Times will be combined when completed. Don't worry, you'll be given instructions when you report for duty.

Clean Up: Picking up after the trial and loading up the trailer. Checking the grounds to be sure people have picked up after their dogs in the potty area and elsewhere. Removing stall signs (names on stalls for crating space).

Please feel free to contact me with any questions. And please let me know if you are interested in making this Trial one the American Belgian Malinois Club can be proud of!

If you'd like to volunteer, please let me know which jobs you're interested in and also what levels you plan to be running your own dog(s) so I can manage conflicts.

Thank you for your time!

Sincerely,

Ginger Rezy
